

# High - Revealing excellence

**Supplemented with L-carnitine**, an essential nutriment for effort: boosts the use of the energy compounds coming from fats.

**Supplemented with Vitamin E, Vitamin C and Organic Selenium:** through their complementary antioxidant action, helps protect cells to boost muscle effort.

**Supplies chelated trace elements** in bio-available form: improve absorption.

**Supplemented with pre-biotics MOS:** bio-regulators of intestinal flora that help protect the digestive transit, they also have an effect on the immune system.
